PROCEEDINGS OF THE CENTRAL COMMITTEE OF GREY CLUBS.—The regular weekly meeting of the State Central Committee of the Grey and Brown Campaign Clubs was held at the committee's headquarters last night. The attendance was large, and the proceedings were enthusiastic and harmonious. Mr. N. M. Lee, first vice-president, occupied the chair, in the absence of General Bradley T. Johnson, the president.

Colonel F. W. Mahood offered a series of resolutions, which, after amendment, were adopted as follows: **Resolved**, That the Finance Committee be instructed to issue an address, setting forth the purposes of this organization, the work it has done, and what it proposes to do; and the secretary shall communicate the same to the active young men in the city, counties, and towns of the State, appealing to them to raise money by voluntary contributions, and forward the same to the Finance Committee; and that a committee of five be appointed to make collections in the city of Richmond.

Resolved, That the committee be appointed to make collections in the city of Richmond, and the point where your line of demarcation is, the Ohio, Mississippi, and the Potomac, and to make collections in the city of Richmond, and the point where your line of demarcation is, the Ohio, Mississippi, and the Potomac, and to make collections in the city of Richmond, and the point where your line of demarcation is, the Ohio, Mississippi, and the Potomac.

The following committee was appointed under the last clause of the first resolution: N. M. Lee, J. English, W. B. Isaacs, Charles U. Williams, C. Zimmer, and James Hayes.

Colonel R. T. W. Duke, Conservative member of Congress from the Albemarle district, being present, was invited to address the committee, and did so at some length. He gave an encouraging report from his district, and prophesied a grand triumph for Grey and Brown throughout the country. All his remarks were listened to with great interest, and he was warmly applauded.

Colonel Duke was heard with attention and applause, and when he concluded a resolution was passed thanking him for services rendered the Committee and the party at large.

The Committee then adjourned until Friday evening next.

A CONVENTION OF COLORED LIBERAL REPUBLICANS.—A convention of colored Liberal Republicans was held in session in this city on Friday and Saturday, and adjourned yesterday, after a most harmonious session. The cities of Washington, D. C.; Norfolk, Portsmouth, Alexandria, Petersburg, and Richmond, were represented.

A. Johnson, of Alexandria, was elected president, and Richard Singleton, of Richmond, secretary. Thirty-one delegates were present.

Resolutions were adopted heartily endorsing the Cincinnati platform, pledging the support of the colored Liberal Republicans to the support of Greeley and Brown, and thanking the General Committee of the State for their arduous efforts in behalf of the restoration of peace.

A large colored vote was represented as backing this movement, and much enthusiasm was manifested in the proceedings.

POLITICAL NOTES.—The Greeley Clubs Central Committee have intelligence of the formation of Greeley Clubs all over the State.

ARREST BY THE POLICE.—Thursday night Dick Dahney, a colored man living on Strecker's Hill, gave a "free hall," to which all of his friends were invited, the occasion being the anniversary of the foundation of the society of which he is a prominent member. Thirty or forty dusky denizens of the neighborhood—male and female—were assembled beneath Dick's hospitable roof to feast upon the bounties he had prepared, and good order prevailed until the attempted entrance of one James Jasper produced a scene of discord and strife. James was an intruder, and not being able to pass the sentinel on duty at the door, he attempted to effect an entrance by a flank movement, but was again met and repulsed by a blow with the flat side of a sabre. He then retired, and going before a magistrate, made oath to a warrant for the arrest of the whole party on the charge of keeping a disorderly house. The warrant was executed by a posse of policemen from the First station-house, and twenty-seven men and women were arrested and locked up until yesterday morning, when they were brought before Justice Crew, who admonished and discharged them all. This *fiasco* cost the State \$13.90.

THE NATHAN MURDER—EVIDENCE AGAINST FORRESTER.
NEW YORK, September 13.—It is reported that the authorities have evidence which fully establishes the connection of Billy Forrester with the Nathan murder. It is said that on the night of the murder of Nathan a prominent sporting man saw an individual in the vicinity of Nathan's house, whose movements were very suspicious. He watched him, and presently two men came down the steps of the Nathan mansion, who were joined by the mysterious man; the three going towards the river. Early the next morning three men entered a saloon on Eighth avenue, and left a bundle, which proved to be a bloody shirt. On investigation it was found that a woman up town had washed this shirt—which was a peculiar one for a man who in the Connecticut State prison, who was a part of Forrester's. The sporting man above referred to at once identified the picture of Forrester as that of the man he saw in the vicinity of Nathan's house.

Wednesday next George Ellis, now confined in the State's prison, will be brought here, and will testify that the "dog" which was used in murdering Nathan was stolen from his place, and was sold by himself, and that both had used it in various burglaries.
